

The Kempenski Dead Sea Hotel

The Kempenski Dea Sea Hotel is the biggest, most stylish and luxurious hotel on the Ishtar Dead Sea, surrounded by gardens with lagoons and waterfalls. It also offers a large private beach on the Dead Sea.

Shurjoint was specified to supply valves and grooved couplings & fittings for the HVAC networks serving mechanical rooms for the chilled and hot water system, and the fire protection networks in the phase one project which served around 100 cabanas and 10 restaurants and ball rooms. The contractors are satisfied with Shurjoint's cost, quality durability and ease of Maintenance.
